This chapter 8 sets out: (a) The composition and manner of appointment of the <i>Rules Change Committee</i> ; (b) The procedure for effecting a change to the <i>WESM Rules and Market Manuals</i> ; and (c) The procedure for approval of a change to the <i>WESM Rules and Market Manuals</i> , including proposals that will result in an amendment to the <i>WESM Price Determination Methodology</i> ; and adoption of new <i>Market Manuals</i> . However, the WESM Penalty Manual is a critical regulatory document, and its amendment process is not explicitly stated within Chapter 8. By clarifying that Section 8.4 also applies to the revision of the WESM Penalty Manual, the proposed change ensures consistency in the governance process for rule modifications.  The proposed change explicitly recognizes the MSC’s role in initiating revisions, strengthening its ability to recommend adjustments based on market surveillance
