

INDEPENDENT**LEONIDO J. PULIDO III****Educational Background**

- Bachelor of Laws
College of Law, University of the Philippines
- Bachelor of Science in Special Education,
Minor in Math
University of the Philippines, Diliman

Mr. Pulido has a passion for electric vehicles to mitigate climate change and create environmental sustainability.

He started as the Incorporator and Member of the Board of Directors of E-jEEPney Transport Corporation for which he helped develop the business model, business policy, and legal framework. He then served as Executive Director of Electric Vehicle Association of the Philippines and as President and Co-Founder of Electric Vehicle Expansion Enterprises, Inc.

After resigning from his Assistant Secretary post with the Department of Energy, Mr. Pulido returned to his original passion and is currently a Member of the Board of Directors of Electric Vehicle Expansion Enterprises, Inc. where they seek to expand the use and participation of electric vehicles in the public transport industry in the country.
