1.0 PURPOSE OF THE DOCUMENT

The Learning Management and Capacity Development (LMCD) Division of the Enforcement and Compliance Department (ECD) manages all learning and development-related undertakings for the Wholesale Electricity Spot Market (WESM) stakeholders that will ensure early coordination with the subject matter experts (SMEs).

The LMCD Division is tasked to ensure that all these training-related projects are properly managed, completed in a timely manner, and implemented within the approved budget for the calendar year.

In accordance with the approved PEMC Training Plan in April 2022, this document has been prepared to serve as the official and quick reference material for these training-related undertakings.

While the aforementioned Training Plan remains untouched from its approval in 2022, subject to review every five (5) years, the PEMC Training Calendar is updated annually.

2.0 JANUARY 2024 – JUNE 2025 TRAINING CALENDAR

TRAINING COURSE TITLE		TRAINING TYPE & LEVEL	TARGET AUDIENCE	TRAINING FACILITATOR (Alphabetically arranged by last name)	TENTATIVE TRAINING SCHEDULE	ESTIMATED TRAINING HOURS	CREDIT POINTS

- *Total number of trainings will change with the accommodation of additional trainings as the need arises.*
- *Total number of committed trainings for 2024 is 16.*

3.0 ACCOMMODATION OF SPECIAL TRAINING REQUEST FROM STAKEHOLDERS

To further promote learning among WESM members, the LMCD will accommodate special training requests from stakeholders on topics such as, but not limited, to market governance and compliance.

The training request may be coursed through an official letter submitted to any of the PEMC departments, specifically PEMC's Office of the President, Office of the Chief Governance Officer (OCGO), ECD, or Market Assessment Department (MAD), or via email to university@wesm.ph or pemc.info@wesm.ph. and should not conflict with an existing schedule in the published training calendar.

The special training requests may be online or onsite, the cost of which shall be shouldered by the requesting party. Arrangements for onsite training requests requiring travel, etc. shall be coordinated by the LMCD between the subject matter experts (SMEs) and the requesting party.

Scheduled trainings published in the training calendar and the WCO Certification Program shall take precedence and the accommodation of special requests shall work around the availability of the SMEs.
