RULES CHANGE COMMITTEE****RESOLUTION NO. 2018-02****Proposed Amendments to the WESM Rules to Implement the Approved Plan
for Transition to the Independent Market Operator of the WESM**

WHEREAS, the Philippine Electricity Market Corporation (PEMC) submitted to the Rules Change Committee (RCC) on March 07, 2018 the Proposed Amendments to the WESM Rules to Implement the Approved Plan for Transition to the Independent Market Operator of the WESM;

WHEREAS, the subject proposal aims to implement the directives under DOE Department Circular No. DC2018-01-0002¹ and the approved "*Plan for Transition to the Independent Market Operator of the Philippine Wholesale Electricity Spot Market*" ("*Transition Plan*")², principally on the separation of the governance and market operations functions of PEMC and the Independent Market Operator, changes in the composition of the PEM Board, and realignment of the functions of the WESM governance committees and units to reflect the resultant structure of PEMC;

WHEREAS, the proposed amendments are in Chapter 1 - *Introduction* and Chapter 11 – *Glossary* of the WESM Rules, as summarized below:

- *In accordance with DOE Department Circular No. DC2018-01-0002:*
 - a) Inclusion of reference to PEMC as the governing body of the WESM;
 - b) Addition of provisions stating the composition and qualifications of the Market Operator Board, adopting in full the qualifications set out in the DOE Circular;
 - c) Alignment of provisions relating to Market Operator performance standards; and
 - d) Inclusion of additional functions of the PEM Board as set out in the DOE Department Circular

¹ DOE Department Circular No. DC2018-01-0002 (dated 17 January 2018) - *Adopting Policies for the Effective and Efficient Transition to the Independent Market Operator for the Wholesale Electricity Spot Market*

² Ratified by WESM Members during its Membership Meeting held on 06 February 2018

▪ *In accordance with the Transition Plan:*

a) On the composition of the PEM Board –

- i) Replacement of National Transmission Company representative with System Operator representative
- ii) Removal of requirement that the Chairperson shall be elected from among the independent members. The proposed amendment is for the Chairperson to be elected by the PEM Board members from among themselves
- iii) Revision to reflect that the PEMC President, who shall be one (1) of the four (4) independent directors of the Board, shall be elected by majority of the PEM Board members
- iv) Revision to reflect that PEM Board directors shall be elected by PEMC members, and not appointed by the DOE.

b) Creation of a Compliance Committee, and provision of a transitory arrangement pending appointment and organization of said committee;

c) Realignment of the functions of the WESM Governance Committees; and

d) Re-statement of functions of the PEMC governance units to align with the re-organization of PEMC.

WHEREAS, PEMC presented the proposal before the RCC during the latter's 138th Meeting held on March 02, 2018 and thereafter submitted the requisite documents to the Committee on March 07, 2018;

WHEREAS, the RCC approved the publication of the proposal in the market information website on March 07, 2018 to seek comments from WESM stakeholders and interested parties within a period of 30-working days (i.e., until April 23, 2018);

WHEREAS, the RCC began deliberations on the proposal during its 139th Meeting held on April 06, 2018 considering the comments received thus far from the DOE as well as clarifications from PEMC;

WHEREAS, arising from the DOE's suggestion to retain the term "PEM Board" in certain provisions where it was proposed that it be replaced with "PEMC" to take into consideration the PEM Board's specific functions under the WESM Rules, the RCC accepted PEMC's clarification that the term "PEM Board" is to be replaced with "PEMC" only in provisions which denote the governing entity of the WESM to reflect PEMC's transition into a pure governing body;

WHEREAS, the RCC adopted the DOE's recommendation to also include the DOE aside from PEMC to whom the Market Operator's shall submit reports of any apparent or possible incidents non-compliances with the WESM Rules and Market Manuals by any WESM Member;

WHEREAS, the RCC likewise agreed with the DOE's recommendation to add provisions in the WESM Rules pertaining to the proposed manner of selection of the IMO Board members as provided in the Market Operator By-Laws for transparency;

WHEREAS, during the same April 06 meeting, the RCC provisionally approved the proposal as amended pending further revisions, and likewise agreed to convene a special meeting should more comments be received until the last day of the commenting period on April 23, 2018;

WHEREAS, additional comments were received from Green Innovations for Tomorrow, Inc. and Aboitiz Power Corp. which were clerical edits and queries for clarification, respectively;

WHEREAS, after considering the said additional comments and noting that these do not impact the substance of the proposal, the RCC approved the proposed amendments as adopted during its April 06 meeting;

NOW THEREFORE, we, the undersigned in behalf of the sector we represent, hereby resolve as follows:

RESOLVED, that the Proposed Amendments to the WESM Rules to Implement the Approved Plan for Transition to the Independent Market Operator of the WESM is hereby approved by the RCC;

RESOLVED FURTHER, that the attached Annex of the Proposed Amendments to the WESM Rules to Implement the Approved Plan for Transition to the Independent Market Operator of the WESM is hereby endorsed to the PEM Board for approval and endorsement to the DOE.

The proposal is to reverse the qualification. Since the President is a full time executive of PEMC and is responsible for managing its affairs, then it is more important that he or she be an independent director. This is to avoid potential conflict of interest that can arise if the President were a sectoral director.</p> <p>The Chairperson, meanwhile, is primarily responsible for presiding over Board and membership meetings, for which independence is not a crucial</p>

Philippine Electricity Market Corporation or PEMC. The corporation incorporated upon the initiative of the <i>DOE</i> composed of all <u>direct</u> <i>WESM members</i> and whose Board of Directors will be the <i>PEM Board</i> .	It is proposed that only Direct WESM Members be eligible to become PEMC Members as these are the entities that would have a direct stake and interest in the operations of PEMC. Especially with the integration of the retail market in the WESM, the indirect members significantly outnumber Direct WESM members. Allowing indirect members to become
