2023

The Learning Management and Capacity Development (LMCD) Division (formerly the Knowledge Management and Development (KMD) Division) of the Enforcement and Compliance Office (ECO) carries on the tasks and activities initiated by the Training Section of the Corporate Planning and Communications (CPC) in 2022.

Intrinsically, the LMCD's main function is to organize, manage, and conduct trainings and other related capacity development endeavors, such as awareness and information drives to promote learning among the Wholesale Electricity Spot Market (WESM) stakeholders on matters concerning market governance, rules, and developments in the market for better understanding and appreciation of the WESM. Relevant market updates that have a significant impact on market governance will also form part of the training campaign.

WESM University is LMCD's brand for easier recall while clearly promoting a learning and capacity development environment for stakeholders, and sometimes other interested parties, of the Philippine power bourse.

Trainings are typically conducted once every month, between January and October each year.
