## WHOLESALE ELECTRICITY SPOT MARKET RULES CHANGE COMMITTEE

### RESOLUTION NO. 2020-13

#### **Proposed Amendments to WESM and Retail Rules for the Operation of the Renewable Energy Market**

**WHEREAS**, the Republic Act No. 9513 (RA 9513) or “Renewable Act of 2008” is an Act that established the framework for the accelerated development and advancement of renewable energy resources, and the development of a strategic program to increase its utilization;

**WHEREAS**, under Section 8 of the Renewable Act of 2008 states that the Department of Energy (DOE) shall establish the Renewable Energy Market (REM) and shall direct the Philippine Electricity Market Corporation (PEMC) to implement changes to the WESM Rules in order to incorporate the rules specific to the operation of the REM under the WESM;

**WHEREAS**, on 04 December 2019, the DOE promulgated<sup>1</sup> the REM Rules to facilitate the compliance of the Mandated Participants with the Renewable Portfolio Standards (RPS);

**WHEREAS**, on 27 February 2020, PEMC submitted a Proposed Amendment to WESM and Retail Rules for the Operation of REM;

**WHEREAS**, the proposal primarily aims to harmonize the WESM Rules and the Retail Rules with the policies stipulated in Section 8 of the Renewable Act of 2008 and the REM Rules;

**WHEREAS**, the proposal also aims to enable the RE Registrar (RER) to carry out its functions in issuing Renewable Energy Certificates (RECs) by gaining rights of access to WESM and Retail Market registration, metering, and settlement data and other confidential information that are vital to the REM operations and its corresponding reporting mechanism pursuant to the RPS Rules;

**WHEREAS**, during its 161<sup>st</sup> Meeting on 21 February 2020, the PEMC presented an overview of the proposal for RCC's information, with the intention of submitting the proposal, upon approval of the REM Governance Committee (RGC), to the RCC;

**WHEREAS**, on 10 March 2020, PEMC submitted the RGC-approved proposal, which the RCC approved for publication in the PEMC website to solicit comments from industry stakeholders and interested parties;

**WHEREAS**, following the 30-working day commenting period from publication date on 11 March 2020, comments were received from the Independent Electricity Market Operator of the Philippines (IEMOP);

**WHEREAS**, during the 165<sup>th</sup> RCC Meeting on 15 May 2020, the RCC reviewed the proposal and deliberated the comments received together with the proponent's response, with agreements as follows:

- To include RE Registrar in the parties entitled to have either direct or remote access to metering data on a read-only basis from the metering database or metering register;
- To add in the exceptions to information disclosure the disclosure of registration and settlement information to the RE Registrar of WESM members participating in the REM;
- To reflect in the glossary new terms introduced in the WESM Rules; and
- To adopt the proposed wording for clerical enhancements;

**WHEREAS**, in view of the foregoing, the RCC approved the proposals, as amended, and its endorsement to the PEM Board;

**NOW THEREFORE**, we, the undersigned, in behalf of the sectors we represent, hereby resolve as follows:

**RESOLVED**, that the Proposed Amendment to WESM and Retail Rules for Operation of REM;

**RESOLVED FURTHER**, that the said Proposed Amendment to WESM and Retail Rules for Operation of REM (attached as Annex A) is hereby endorsed to the PEM Board for approval and subsequent transmittal to the DOE for promulgation;

Done this 15 May 2020, Pasig City.
